Last Day of Term

From the Principal's Desk

We are pleased to present to parents and carers the Term Planner for Term 1, 2019.

I encourage all parents and carers to place this where it can be easily seen or is readily available so that important dates can be easily tracked. It is not possible to put every class excursion on the calendar as this would create some clutter and confusion. However, I suggest writing such events into the calendar as they apply to your child.

Important committee dates are included, and I strongly encourage everyone to consider participating in at least one of these so that you have a more direct say in what is happening within the school. The school is providing additional and more direct support to these committees to reduce any perceived workload people might think is attached to their participation. These committees really do represent a great social and networking opportunity for parents to share their ideas.

On behalf of all the staff at Kensington, I would like to wish you all a calm, safe and happy school holiday and festive season break.

Steve Hordacre
