Musica Viva Incursion

**Tue 3 Sept**  
P&C Meeting/Uniforms  
9am

**Fri 6 Sept**  
Athletics Carnival

**Fri 27 September**  
**Last Day of Term**

## From the Principal's Desk

*It is with considerable sadness that I announce the passing of Mr Jason Booth this week after a lengthy period of illness. Jason had worked for many years as the school's Technical Officer, responsible for maintaining the pool and its equipment. He also performed handyman duties throughout the school and was often seen in classes repairing broken items and installing fixtures to meet the needs of staff and students.*

*Jason's wife, Vanessa, is also a member of our staff and we extend our fullest and deepest sympathies to her at this sorrowful time.*

**Steve Hordacre**

## P&C

There are still some tables left for our Bogan Bingo night. Please come along and support our school while having a great night out!

Saturday 17<sup>th</sup> August

Doors open 6:30pm

Belmont Sports & Recreation Centre

\$20pp ~ tables of 8

Bar facilities available, BYO supper/nibbles.

<https://www.trybooking.com/BCWKU>

Raffles, prizes, auctions and loads of fun for everyone!!!

## Room 10

This semester, Room 10 will be experiencing the different textures of cooked and uncooked food. So far, we have felt and tasted some cooked pasta tubes, crunched some uncooked pasta and threaded some onto pipe cleaners to make interesting art and jewellery. We have tasted and chewed cooked rice, found hidden treasure in our (uncooked) rice box and used colourful uncooked rice to decorate our pictures.

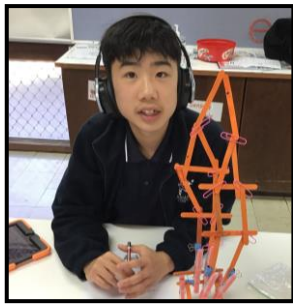

## ROOM 5

The students from Room 5 participate in weekly Sensory Cooking lessons. They get to use their five senses to explore different tastes, textures, sounds, sights and smells. This week they focussed on the taste of 'sweet' and 'savoury' (egg mayonnaise/curried egg). Textures and flavours of 'still' and 'fizzy' drinks were also explored. Students chose the correct juice flavour while selecting their favourite (apple or orange). We are very excited that Nathan Russell has joined our class. He has been showing his classmates how great he is at communicating with them via his Eye Gaze Device.

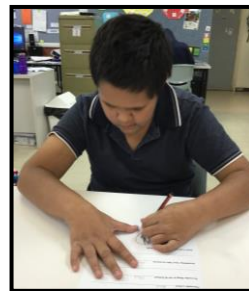

# Room 12

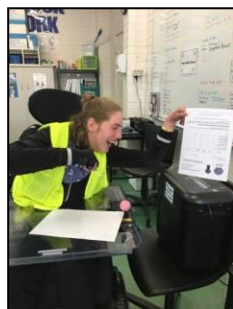

In Room 12, we are all great at working independently.

We have been learning to work together and about sharing.

We work hard and play hard!

## Workplace Learning

**WPL commenced in the first week of Term 3 with all students commencing their placements, both on and off campus. Activities have included preparing tubs, shredding, packing show bags, untangling & testing headphones and straightening up shelves. Great work!**

### ***A Word from Admin***

Thank you to those parents and carers who have already paid the 2019 Charges and Voluntary Contributions.

Full and part payments can be made by cash or cheque at the office.

Alternatively, payments can be made via EFT. Our school bank account details are:

**Bank:** Commonwealth  
**BSB:** 066040  
**Account:** 1990 0516  
**Name:** Kensington Secondary School

**Karen Trivanovic**  
***Manager Corporate Services***

If you are thinking of moving house and you want your child to continue attending Kensington Secondary School, **please** contact the school to check the bus boundaries. If you move outside the bus boundaries your child will not receive transport.

**Eugene Maguire**  
***Deputy Principal***

## **RECYCLING AT KSS**

### **ALUMINIUM CANS**

Students wash, pull the rings off (for a charity that makes artificial limbs from the metal), crush and put the cans in the large recycling bin. This program allows students to practise following a number of consecutive steps to complete a task and contribute to the care of our environment.

**Please save and rinse all your cans and send them in on the bus or car. Large and small amounts are gratefully received!**

### **BATTERIES**

Please remember to send in any used/spent batteries (except automotive) ready for collection and recycling by our local council. Even if you only have a few, they add up. Last year our council collected around 40kg of spent batteries from KSS alone. They have kindly given us a battery recycling bin to use, which is kept safe and secure.

***Please note: Batteries should not be given to students; rather parents/carers should hand them in to a teacher, admin or bus aide.***
